Zeiss Limied Edit. 1912 flat light grey tint lenses

A close-up, high-angle photograph of a bicycle handlebar and stem assembly. The handlebar is a sleek, curved black bar with a silver-colored clamp. The stem is a polished silver metal tube that connects the handlebar to the front fork. The background is a dark, gradient blue, which makes the metallic components stand out. The lighting is dramatic, highlighting the curves and textures of the metal.
